

**L2 PROJECT NAME:** Water Boreholes for low income housing estate Oluwole  
**LOCATION:** Ogba/Ikeja

Rotary Club of: **Ogba**

**Summary:** Sinking of two boreholes for the apartment blocks. Each block has a population of approximately 1500 residents who are classified as low-income. At present, these people have not source of clean water, and incessant outbreaks of water borne diseases are common in the estate.

Rotary Club of Ogba has a Rotary community corps that will supervise the use of the borehole upon completion and to identify maintenance issues.

**Project budget:**

Site preparation, drilling, equipment, testing and pump installation	\$1816
Installation of overhead tanks and pipe network	<u>\$1240</u>
TOTAL (each borehole)	\$3056

Rotary Club of Ogba will provide	\$500
International Sponsor Club	<u>\$2556</u>
Total for Project (each borehole)	\$3056
