

# L4 PROJECT NAME: Vocational Training Center for Ojo Community

LOCATION: Ojo, Lagos

Rotary Club of: Ojo

Summary: Community currently has high unemployment, high poverty and associated problems with youth. Club would like to establish a vocational center (building already exists) to address vocational training for indigent citizens, widows, vulnerable youth and

other students in the community. Although one area of training identified is computer literacy, club proposal does not have enough budgetary and operational information to include. The project budget below outlines vocational training for tailoring and dressmaking, tie and dye, and bead making.

## Project budget:

Tailoring and Dressmaking (30 participants

30 sewing machines at \$200 each

\$6000

Fabric and accessories

\$1000

Tie and Dye training materials (30 participants)

\$2000

Bead Making materials (150 participants)
