

L6 PROJECT NAME: Materials for Temidire Primary School

LOCATION: Abule-Ekun, Ogun State

Rotary Club of: Ikeja South

Summary: The population of this community is more than 300,000 and is mainly peasant farmers, public servants and traders and there was no public school for the children. In May 2005, the school started in a rented apartment with 5 students; now there are 150. The RC of Ikeja South has secured land and a building is under construction. Their request for assistance is to furnish a library, classrooms, and a computer room.
